CrossLiner II

the practical cross line laser for
fast levelling and aligning

The *CrossLiner II* is easy to handle:
Simply set up the laser and turn it on – ready-to-operate.

The horizontal and vertical laser beams are self-levelling.
The laser beams can be switched on/off separately from
one another. Mark angles conveniently thanks to the
turntable with 360° graduation and the engagement at
the zero position.

Technical data:

Self-levelling range	± 5°
Accuracy	2 mm/10 m
Working range	20 m (max)
Operation duration	10 h (max)
Power supply	3 x 1.5 V batteries (AA/LR6)
Laser type	Laser class 2, 635 nm

Ref.-No. **460 916 CrossLiner II**
Delivery includes laser,
