# The new *Winkeltronic Easy* from Nedo

With a shank length of 400 mm the *Winkeltronic Easy* is the smallest angle measuring device within Nedo's Winkeltronic product family.

The handy dimensions and the very low weight have made the *Winkeltronic Easy* an indispensable measuring instrument on the construction site. All Winkeltronic from Nedo are distinguished by their robustness, the easy handling and the high accuracy.

*For every application the suitable digital angle measuring tool!*

## Technical data:

Shank length	400 mm
Measuring range	0° - 200°
Accuracy	± 0.2°
Resolution	0.1°
Operating duration	approx. 200 h
Power supply	Two 1.5 V AA batteries/ rechargeable batteries
Weight	0.65 kg
Order-No.	405 100

*For every angle in the world*
